

Redmine - Defect #9590

issue status obsolete is not executing in tracker testcase or in bug

2011-11-17 07:09 - akshatha patil

Status:	Closed	Start date:	2011-11-17
Priority:	Normal	Due date:	
Assignee:	akshatha patil	% Done:	0%
Category:	Documentation	Estimated time:	0.00 hour
Target version:		Affected version:	1.2.1
Resolution:	Invalid		
Description obsolete status does not execute in tracker testcase and bug. when we create issue with status obsolete then when we go to testcase to execute that issue with testcase 51 in Management Tab it shows testcase 51 in blur we cant drag and drop there to root. below i attached patch to you, while creating issue Resolution field is not available			

History

#1 - 2011-11-17 08:45 - Etienne Massip

- Status changed from New to Closed
- Resolution set to Invalid

This is a Testcase plugin issue, please contact the plugin author; this tracker is for Redmine core only.
