### Description

The proposed patch adds ID to every row of 'auth_sources' table (similarly to 'issues' table). This makes working with that table much easier.

### Associated revisions

Adds ids on rows in auth_sources/index view (#9659).

### History

**#1 - 2011-11-25 19:15 - Jean-Philippe Lang**

- Status changed from New to Closed
- Target version set to 1.3.0

Added in r7923 with a dash instead of an underscore for consistency.
