

## Redmine - Defect #9660

### Issues counters in roadmap only link to issues in the same project

2011-11-25 02:04 - Sridhar Dhanapalan

<b>Status:</b>	Closed	<b>Start date:</b>	2011-11-25
<b>Priority:</b>	Normal	<b>Due date:</b>	
<b>Assignee:</b>	Jean-Philippe Lang	<b>% Done:</b>	0%
<b>Category:</b>	Roadmap	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>	2.6.0	<b>Affected version:</b>	1.2.0
<b>Resolution:</b>	Fixed		
<b>Description</b>			
<b>Steps to reproduce</b>			
<ol style="list-style-type: none"><li>1. in a project, create a new version with sharing set with all projects</li><li>2. add issues from different projects to the version</li><li>3. go to the version summary page, e.g. /versions/show/42</li><li>4. notice the counters of closed and open projects, just below the progress bar &amp;mdash; the numbers are correct</li><li>5. click on one of the counters to be taken to the list</li></ol>			
<b>Expected behaviour</b>			
The full list open/closed issues in the project is shown.			
<b>Actual behaviour</b>			
Only the matching issues in the <i>same project</i> are shown. Others are omitted.			
<b>Workaround</b>			
Manually edit the URL: change /projects/projectname/issues? to just /issues?.			
<b>Server information</b>			
OS: Ubuntu 10.04.3 LTS Database: mysql-common-5.1.41-3ubuntu12.10 Ruby: ruby1.8-1.8.7.249-2 Redmine: 1.2.0.stable.6069			

#### Associated revisions

##### Revision 13398 - 2014-09-14 11:41 - Jean-Philippe Lang

Fixed: Issues counters in roadmap only link to issues in the same project (#9660).

Contributed by Sridhar Dhanapalan.

#### History

##### #1 - 2011-11-25 23:35 - Jean-Philippe Lang

- Subject changed from closed/open issues counters in version summary only link to issues in the same project to Issues counters in roadmap only link to issues in the same project

- Category set to Roadmap

##### #2 - 2011-11-29 09:48 - Etienne Massip

- Status changed from New to Confirmed

- Target version set to Candidate for next minor release

I do confirm there is something wrong, but the answer is not that simple.

Notes:

- This issue most basic behavior is due to the use of version.project for 'Shared with all projects' versions; adding a version.top\_project returning nil for this kind of version sharing might be a lead
- The version issue list is not exactly the same in version/show and version/index (a.k.a. Roadmap), I guess because of Display subproject issues administration setting
- This setting could be implemented another way in issue list with a Subproject filter set to none by default

**#3 - 2014-05-13 15:28 - Danil Tashkinov**

- File *fixed\_roadmap\_links.diff* added

Hi! We solve this problem by simple patch.

**#4 - 2014-06-12 05:37 - Toshi MARUYAMA**

- Target version changed from *Candidate for next minor release* to *2.6.0*

**#5 - 2014-09-14 11:42 - Jean-Philippe Lang**

- Status changed from *Confirmed* to *Closed*
- Assignee set to *Jean-Philippe Lang*
- Resolution set to *Fixed*

Patch committed in r13398 with slight changes: helper method renamed and moved to VersionHelper, thanks.
