

Redmine - Defect #9672

Message-quoting in forums module broken

2011-11-27 22:13 - Mischa The Evil

Status:	Closed	Start date:	2011-11-27
Priority:	Normal	Due date:	
Assignee:	Jean-Philippe Lang	% Done:	0%
Category:	Forums	Estimated time:	0.00 hour
Target version:	1.3.0	Affected version:	
Resolution:	Fixed		
Description			
<p>After redmine.org got an update (I believe somewhere in the past weekend) and I started triaging/supporting again today, I first noticed that the message-quoting functionality (both for topics and messages actually) in the forums module is broken. The buttons are rendered correctly but after pressing it, nothing happens.</p> <p>At first in the understanding that this might be an issue on r.o only, I tried to reproduce this behavior on my Redmine test-box (currently) running source:/trunk@7939 and found out that this is actually a defect in, at least, current Redmine trunk.</p> <p>The request is logged without errors (at least in my understanding) as:</p> <pre>Processing MessagesController#quote (for xxx.xxx.xxx.xxx at 2011-11-27 21:14:20) [POST] Parameters: {"board_id"=>"1", "action"=>"quote", "authenticity_token"=>"<token>", "id"=>"2", "controller"=>"messages"} Completed in 12ms (View: 1, DB: 1) 200 OK [http://host.domain.tld/boards/1/topics/quote/2]</pre> <p>I already tried to see if there were recent changes that had the possible impact to result in this broken functionality, like routes changes, but couldn't find anything.</p> <p>FTR, the quoting in the issues module works fine.</p> <p>Environment:</p> <ul style="list-style-type: none">- Redmine: source:/trunk@7939- Ruby: 1.8.7 [x86_64-linux] (REE 1.8.7-2011.03)- RubyGems: 1.3.7- Rack: 1.1.2- Rails: 2.3.14- MySQL: 5.1.41- Browser: Mozilla Firefox 7.0.1 <p>Please let me know if more information is required.</p>			

Associated revisions

Revision 7961 - 2011-11-27 22:30 - Jean-Philippe Lang

Update MessagesController#quote to match the input id changed in r7682 (#9672).

Revision 7962 - 2011-11-27 22:37 - Jean-Philippe Lang

Adds test for r7961 fix (#9672).

History

#1 - 2011-11-27 22:38 - Jean-Philippe Lang

- Status changed from New to Resolved
- Resolution set to Fixed

Fixed in r7961, r7962.

#2 - 2011-11-27 22:42 - Jean-Philippe Lang

- Status changed from Resolved to Closed
- Assignee set to Jean-Philippe Lang

1.2-stable is not affected.

#3 - 2011-11-27 22:47 - Mischa The Evil

That's fast... ;) I now understand what was wrong, thus educational too ;)

#4 - 2011-11-28 09:17 - Etienne Massip

- Target version set to 1.3.0
