Description

I'm just creating report for our client. I would like to list all tickets frouped by Activity (it's possible) but then I need see all tickets (I cant add tickets to report), so now I can see just spent time per activities which is not divided by tickets ;(

Thanx!!!

Associated revisions

Revision 1319 - 2008-04-02 00:42 - Jean-Philippe Lang

Time report can be done at issue level (closes #970) + timelog views xhtml validation.

History
