

Redmine - Feature #9835

REST API - List priorities

2011-12-18 18:24 - Scott S

Status: Closed	Start date:
Priority: Normal	Due date:
Assignee: Jean-Philippe Lang	% Done: 0%
Category: REST API	Estimated time: 0.00 hour
Target version: 2.2.0	
Resolution: Fixed	
Description	
<p>When a project has no default priorities, the GUI interface does not tell the user they need to set one (like trackers do).</p> <p>This means that when using the api, there is no way to create an issue when there is no default priorities as its not possible to get a list.</p> <p>It would be great if:</p> <ul style="list-style-type: none">- A priority api list could be added to get priorities for a project- The interface forced users to set a default like trackers do

this API would also be beneficial for me...thanks

#2 - 2012-02-19 17:53 - Alex Last

we also need "get priorities" in REST API. requested by multiple people.

#3 - 2012-02-21 18:53 - Maxim Zyukin

That would be great!

Could you implement this feature, plz.

#4 - 2012-02-22 19:40 - Bruno Medeiros

Really useful to have this done.

#5 - 2012-10-17 19:30 - Jean-Philippe Lang

- Subject changed from REST API - List priorities for when there is no default to REST API - List priorities
- Status changed from New to Closed
- Assignee set to Jean-Philippe Lang
- Target version set to 2.2.0
- Resolution set to Fixed

Added in r10664. You can get priorities at /enumerations/issue_priorities.xml|json
