

Redmine - Defect #9890

Login size is too small for some OpenID logins

2011-12-29 14:53 - Andriy Lesyuk

Status:	Closed	Start date:	
Priority:	High	Due date:	
Assignee:		% Done:	0%
Category:	OpenID	Estimated time:	0.00 hour
Target version:		Affected version:	
Resolution:	Fixed		
Description			
Currently login size is 30... Some OpenID logins can have more than 30 (e.g. in domain @googlemail.com; in Germany @gmail.com is not available).
