

Redmine - Defect #9893

Tickets do not route to assigned or watchers, but rather to all

2011-12-29 23:51 - Mark Baggesen

Status:	Closed	Start date:	
Priority:	Normal	Due date:

Category:	Email notifications	Estimated time:	0.00 hour
Target version:		Affected version:	
Resolution:	Cant reproduce		
Description we just updated redmine and now have a curious problem: ticket now do not route solely to the assigned and interested identified people. Rather all ticket now either route to everyone or as we have disabled the feature, no one. We did find one patch, but that did not work. any ideas? this is really killing us. Thanks.
