

Redmine - Feature #9923

User type custom fields should be filterable by "Me".

2012-01-04 20:20 - Colin Mollenhour

Category:	Custom fields	Estimated time:	0.00 hour
Target version:	1.4.0		
Resolution:	Fixed		
Description			
<p>The "Assignee" filter has a <<Me>> option, but custom fields of type "User" do not. I want to add an "Attention" custom field and a global/shared filter that shows all issues with "Attention" set to <<Me>> but cannot currently do this since <<Me>> is not an option for custom fields.</p>
